MIKROKRETSAR

Från artikelnummer till
handelsbeteckning och symbol

Referat

Detta korsregister innehåller uppgifter om mikrokretsarnas artikelnummer och handelsbeteckning. Kretsarna finns specificerade i LZB 101 10/1 R5, "Mikrokretssymboler" del 2, samt i "Supplement 1987-05", "1988-06" respektive "1989-06" till nämnda bok.

Tillämpning

Korsregistret kan användas när artikelnumret är känt och antingen handelsbeteckning eller mikrokrets-symbol söks.

MICRO CIRCUITS

From article code to trade designation
and symbol

Abstract

This cross index contains information about the article code of the micro circuits and trade designation. The micro circuits are specified in LZB 101 10/1 R5, "Micro circuit symbols" part 2, and in "Supplement 1987-05", "1988-06" respectively "1989-06" to the mentioned book.

Application

This cross index can be used when article code is known and either trade designation or micro circuit symbol is wanted.

MICRO CIRCUITS

From trade designation to
article code and symbol

Referat

Detta korsregister innehåller uppgifter om mikroretsarnas handelsbeteckning och artikelnummer. Kretsarna finns specificerade i LZB 101 10/1 R5, "Mikrokretssymboler" del 2, samt i "Supplement 1987-05", "1988-06" respektive "1989-06" till nämnda bok.

Abstract

This cross index contains information about the trade designation and article code of the micro circuits. The micro circuits are specified in LZB 101 10/1 R5, "Micro circuit symbols" part 2, and in "Supplement 1987-05", "1988-06" respectively "1989-06" to the mentioned book.

Tillämpning

Korsregistret kan användas när handelsbeteckning är känd och antingen artikelnumret eller mikro-kretssymbol söks. Sorteringen sker tecken för tecken i följande ordning:

Application

This cross index can be used when trade designation is known and either article code or microcircuit symbol is wanted. The sorting is made sign by sign in the following order:

0....9 A....Z
